CAREER EXPERIENCE

John was hired by KMK Consultants in 1998 as a municipal drafter/ construction inspector. During this time he worked on various infrastructure projects assisting in drawing set up, detailed drafting and construction inspection. He was promoted in 2000 to the role of Municipal Designer where he assisted in the design and drafting for servicing, transportation and land development projects.

John was relocated to KMK's Kitchener office in 2002 and was promoted to CADD Manager. John assisted with Class EA's, Infrastructure Servicing, and Road Reconstruction Projects for several municipalities throughout Southwestern Ontario.

John was hired by MGM Consulting in 2004 as a Senior Technologist. His preliminary role was to manage the design and construction of a 75ha industrial development in Milton.

During his employment with MGM, John has successfully overseen several projects from inception to completion.

Areas of Expertise

- AutoCAD and Microstation Cad Platforms
- Infrastructure Servicing Design
- Road Design
- Subdivision and Site Plan Design
- Stormwater Management
- Contract Administration
- Construction Management

SELECTED PROJECT EXPERIENCE

Road Design

- Airport Road Intersection Realignment Options (Peel Region)
- Barber Drive Extension (Halton Hills)
- Lawson Road Extension (Milton)
- Creditview Road Turning Lanes (Brampton)
- Anderson Road Widening (Whitby)

Land Development

- Escarpment Business Community (Milton)
- Milton Business Park (Milton)
- Willows Walk Subdivision (Whitby,)
- Halton Hills Village Homes (Halton Hills)
- Doon Mills Subdivision (Kitchener)
- Canada Post Letter Carrier Depot (Kitchener, Ajax)
- Petro Canada (Several locations throughout Ontario)
